When using the OA trademark, the Applicant agrees to adhere to the following policies:

Board Policies

1. Permission will not be granted to modify the OA logo.
2. Overeaters Anonymous, Inc. will permit the use of its logo in connection with official OA business of any group or service body of OA, provided that any material upon which the logo will be affixed includes the name of the service body (to distinguish such material from the materials of Overeaters Anonymous, Inc.), and provided that any such material must be submitted in advance to the Corporate Secretary for approval. OA reserves the right to rescind any such permission given to use its logo, at any time, upon notice to such group or service body.
3. OA may grant permission for use of the OA logo by outside groups such as resource publications and referring Web sites, provided that such publications or Web sites are consistent with OA's mission of carrying our message of recovery to those suffering from compulsive eating or the consequences of such. The following statement will be required for any such use by outside organizations: "Overeaters Anonymous does not endorse nor is it affiliated with [name of outside group.]" The logo may be used for public information purposes only, and OA reserves the right to rescind any such permission given to use its logo, at any time, upon notice to such outside group.

4. Any registered OA service body may apply for blanket permission to use the OA logo on any of its flyers, posters, newsletters, meeting lists, Web sites, stationery, and business cards for a two-year period from the date of the request under the conditions stated on the request for permission form.
 - a. Groups are not permitted blanket permission and must submit permission requests on a case by case basis.
 - b. Service bodies must fill out and submit a logo permission request form. A customized logo must be included with the permission request.
 - c. The service body must submit a separate permission form for other uses to be considered.
 - d. It will be the responsibility of the service body to renew its logo permission after the expiration date.

Corporate Policies

1. Except as herein provided, to make no adaptation or changes of the trademark without the prior written consent of Overeaters Anonymous, Inc.
2. To use the trademark only in the above mentioned manner.
3. To include the registration symbol (®) as part of the OA trademark(s).
4. To include on the line immediately below the trademark the name of the service body that is using the trademark, thereby creating a customized trademark. For example:

OA®
SERVICE BODY NAME

Overeaters Anonymous®
SERVICE BODY NAME

The customized trademark should appear on all materials on which the trademark belonging to Overeaters Anonymous Inc. is placed.

5. Applicant will send to Overeaters Anonymous, Inc., one (1) sample depicting the customized trademark that the Applicant intends to place on materials or the first such use of the customized trademark as it appears on the material (or a photocopy thereof) on or before publication and/or distribution of such materials.
6. If the customized trademark meets the above delineated criteria, permission to use the customized trademark will be sent to the Applicant 10 business days from the date that OA receives the complete permission request. Permission to use the customized trademark is for a term of two years from the date permission is granted. After expiration of the term, Applicant must reapply for permission to use the customized trademark.
7. Once permission to use the customized trademark is granted, Applicant will provide to the WSO of OA an inventory of use for the customized trademark on a biannual basis during the two-year term. The biannual report must be submitted by January 1 and June 1 during each year for which permission to use a customized trademark is granted. The inventory of use must include a list of all materials on which the customized trademark appeared, and the date on which the material was distributed. A sample of the material (or photocopy of the material) showing the customized trademark thereon should accompany the inventory of use form.

8. We understand and agree that OVEREATERS ANONYMOUS, INC., may terminate the permission at any time upon thirty (30) days notice without cause and immediately if we fail to comply with any term or condition hereof. Upon termination of the permission, we shall immediately discontinue further printing of the trademark. However, we shall have an additional period of six (6) months from the time the permission terminates within which to dispose of any copies of the trademark that we printed prior to such expiration unless the termination of permission is caused by our violation of any provisions of this permission, in which event, we shall be prohibited from disposing of any additional copies of the trademark. In the event that a service body is no longer registered with the WSO, permission to use the logo ceases immediately.
9. We understand that this agreement will be governed and construed under the laws of the State of New Mexico and the United States of America, and we consent to the jurisdiction of the State and Federal Court located in the State of New Mexico USA, and waive any defense to any such jurisdiction.
