FROM THE BOARD

CHAIR REPORT

By the time we meet at the Fall Assembly in San Diego, God willing, I shall mark 41 years in OA. I have had the ultimate privilege of serving this beloved Fellowship in two different regions, in every service level OA offers. The past two years as Chair of Region 2 has been undoubtedly the most difficult job I've ever done in OA, but yet it is also the most rewarding; physically, emotionally and spiritually.

Since we met in the Spring, I went to Albuquerque, NM in May, along with 21 other R2 delegates and participated in the WSBC, where 197 voting members took OA another step forward into the 21st century. I attended workshops on virtual services (you'll be hearing more about that), joined with 9 other region chairs (RCC) to present the Forum that precedes the opening of the Conference, and spent 21 hours with those same chairs considering the status of OA, and sharing ideas on ways to improve service to the Fellowship worldwide.

I was also able to attend a great R2 Convention in San Francisco in July, and kudos go to the committee for their tremendous effort on the convention. Despite a few "hiccups" at the beginning, they worked together as a team and brought it together well.

In August, I went again to Albuquerque, where the RCCs met with the BOT, working on the final weeks of the Strategic Operating Plan (SOP), and planning the 2015 SOP tasks in our subcommittees. My subcommittee is virtual services, and I'm pleased to tell you that reports from many places in R2 indicate that telephone, online and skype meetings are catching on like wildfire here at home. I love it! R2 has always been on the cutting edge of improving ways to carry the message to the compulsive eater. Even with our trustee, Meg H, being laid up due to a bad fall, we had the wonder of electronic media, able to skype her into our combined RCC/BOT meeting. She was able to participate and vote! I really missed having her at my side, but adopted the Virtual Service Trustee as surrogate.

I had presented the R2 TSW's "12 Best Practices" to the chairs prior to the Conference, and received requests from trustees of two other regions. The BOT also announced that the OA theme for 2015 will be: "The Miracle of Abstinence." This is exciting, and you'll hear more about this as well – stay tuned.

The "Chat with the Chair" project that began in January continues to grow and I've been fortunate enough to have other R2B members join me, with some very interesting comments and discussions. Our "Email Campaign" has been very successful, and we received a phone call on 'Chat with the Chair' from a man in Cleveland, Ohio, who has formerly attended our R2 conventions. I also receive 40-50 emails each day. R2 is moving forward through our ability to carry R2's message to remote and unaffiliated meetings.

I have been blessed with a terrific board that is willing to go to many lengths in support to this region's Fellowship. Thank you for the opportunity. Freedom to grow.

&:0) Nancy J.

VICE CHAIR REPORT

Is your Intergroup in need of a “Tune-Up”? Are your meetings thriving or surviving? Do you have enough abstinent sponsors for newcomers? Are you getting newcomers in your meetings?

See how Service, Tradition and Concept (STC) Workshops may be just the thing for you; invite us over! Our board members and trustee are ready to share their Experience, Strength and Hope with you. Let us know what your concerns are, and we will be there to assist you. Learn how the Twelve Traditions of OA work for your Intergroups, groups and individual members. Email vicechair@oa.org and schedule your workshop today! There is no cost to you except the venue. Most workshops have been held in a room where there are regularly scheduled meetings. We normally ask for a six month in advance request, but we have many available dates for the remainder of 2014. If 2014 won't work for you, you may begin scheduling your STC Workshop for 2015.

2014 Region 2 Convention: A New Freedom, a New Happiness. I left my heart in San Francisco! This was such an awesome Convention and awesome Convention Committee, and so many people giving service. If you were there, and think you did not give service, think again; you were there, we could not have had such a great convention without you! I served anywhere from meeting moderator/speaker to balloon blower upper. I saw many of you step up and serve wherever possible, and I am sure I did not see all of you who stepped up to serve wherever possible. Thank you!

A few things I have done:

- Attended two Board Meetings since the 2014 Spring Assembly.
- Working on the BOM (Board Operating Manual) so it will more accurately reflect the duties of each board member, as well as including items which are not included. We are hopeful this will assist the upcoming Region 2 Boards during their service; I have truly appreciated having a manual to work from.
- Worked with the P.I. (Public Information) Committee Chair Sandi H. and Publications Coordinator, Betty Jean V. to create policy and procedures for email blasts.
- The Region 2 Speaker List is updated, and will be sent upon request.
- Voted on items for the upcoming 2015 Convention, San Diego: “I Put My Hand in Yours”, such as the theme, logo and logo colors.

I hope to see you in San Diego!

Linda M.
Region 2 Vice Chair

SECRETARY REPORT

One of the privileges of being a member of OA is the opportunity to be of service to our fellows. As a selfish person in recovery, service is one of many surprises the OA program held in store for me. By practicing the principle of service I am pleasantly shocked to find that all gifts of time and energy put into this program return in the form of increased emotional sobriety, self esteem and gratitude for what has been given me. I can only try to imagine what life may offer if I continue the path laid out before me through the Twelve Steps. I can only try to imagine because likely it is *“beyond my wildest dreams.”*

As secretary of Region 2 I have had the opportunity to attend Region Board Meetings, both in person and by telephone, taking minutes and creating action item lists. The minute taking has been an unexpected challenge, involving unlearning old ways of taking notes and learning how to take more official, concise organized minutes. This has afforded me the opportunity to receive and ask for help, and to try things differently.

With Meg H, R2 Trustee I was given the opportunity to co-facilitate a STC (Service Traditions and Concepts) Workshop in San Luis Obispo focusing on the Traditions and Sponsorship. My gratitude goes out to Meg, to the California Central Coast Intergroup, everyone who did service to make it happen and everyone who showed up to attend. I feel doubly blessed to be part of a fellowship and receive the love and power of the group assembled as well as learn new ways to apply the Traditions to my life and recovery.

In the beginning the Traditions always seemed tedious and boring to me - a necessity for the group to be certain but holding no usefulness in my personal affairs. Over time I have found the Traditions can be powerful agents of change when put into practice in all our affairs.

As Bylaws committee liaison I got to sit in on committee conference calls and service as a channel of communication between the committee and the board. The bylaws committee has been hard at work on the new Glossary explaining terms used in the Region which will be debuting in this packet. The committee also worked hard on keeping the Region bylaws aligned with OA Bylaws. It is a privilege to work with such dedicated OAs; I tend to gain inspiration and motivation by being around motivated and inspired people (with which OA abounds).

In addition to the above I was able to purchase a new projector for Region use, as well as a laptop for current and future R2 Secretaries to use in the fulfillment of their duties.

The Convention was an amazing experience, and I feel once again blessed by the marathon meetings and workshops I had the opportunity to attend. Many notes were taken and shared with others. The convention seems to have the power to affect people who weren't even there as we bring back to our individual groups, sponsees and recovery friends what we have learned from others across the region. Interestingly there were attendees from overseas and other areas other than Region 2. A special thank you is owed to all who served during the Convention or on the Convention Committee who put in tireless hours to bring the Convention from an idea into a reality.

Alex Mohr, R2 Secretary

EVENTS COORDINATOR REPORT

I wondered what Higher Power had in store for me when I took the position as Events Coordinator. The message I heard before accepting the position was “the time is now”. I knew I was being led to something greater than I could envision. I trusted that my Higher Power would be there with me as I traveled this new path.

Our Region 2 theme this year is “Freedom to Grow,” and I feel like I’m growing in ways I didn’t know were possible. Since our last Assembly, I have been very busy with the 2014 & 2015 Conventions and visiting hotels in the north for the 2016 Convention.

The 2014 Convention “A New Freedom and a New Happiness” was well attended with over 400 people. All aspects of the Convention went better than anticipated. There were some concerns having it over the July 4th weekend but that didn’t stop our fellowship from stepping up to give service. This is Region 2’s only fund-raiser and what a success it was. The weekend went smoothly from the Opening Ceremony, to the panel shares, marathon meetings, Dinner Dance and Breakfast Buffet, boutique, clothing exchange, hospitality, and all the booths. A great big thank you to those who volunteered to give service during the weekend.

The 2015 Convention Committee is already hard at work. The Convention is scheduled for June 24-26, 2015, at the Town & Country Resort & Spa in San Diego. The theme “I Put My Hand in Yours” is in memory of our founder, Rosanne S. who died January 2014. Hanna S. and myself will give an ST&C Workshop for the committee members on Sunday, Sept. 28th. Start making plans to be at R2’s next Convention in 2016.

The spring Assembly is March 20-22, 2015, at the Town and Country Resort & Spa in San Diego. This is a great opportunity for the IG reps to check out the hotel before the convention. That way you can share about the Convention site at your IG’s and meetings.

Another of my duties is the liaison for the Twelve Step Within (TSW) Committee. They are a very active group and have accomplished many of their goals for this Assembly. A member wrote an article to be published in the R2 newsletter and they are currently updating the Relapse and Recovery (R&R) Speaker’s list. They also had a TSW booth at the Convention and handed out free literature on relapse and recovery. Another committee member emails three of the 12 Best Practices to IG’s every quarter. These are suggestions for groups to assist struggling members or those in relapse. If you are not receiving this email, please contact Rick Z. at rick@directdigitalcontrols.com. The Sacramento IG has started a TSW Committee and they are hosting a special relapse and recovery meeting on 12/12/14. What a great idea.

Date Reminders:

In loving service,

Maureen Heuga, R2 Events Coordinator

WHAT'S NEW FROM WSO:

Changes at the World Service Office:

New Publications Manager is DeDeDeMoss

Summer Russo was promoted to Lifeline Editor

New Associate Editor is Kevin McGuire

Unity with Diversity Checklist is available on oa.org

Overeaters Anonymous, 3rd Edition with 40 new stories was approved at WSBC 2014. Look for it by the end of this year.

Check out the service body mentor/mentee program put on by the WSBC PI Committee.

The Strong Abstinence Checklist which is available on oa.org has been translated into 17 languages.

Look for articles in all issues of Lifeline in 2015 on the importance of working all 12 Steps.

Courtesy Listing of OA Email Loops is up and running. To find or register OA Email Loops check under "What's New" on oa.org.

Board of Trustees (BOT) Meetings: In the Feb. BOT meeting the virtual services and regional trustees did a workshop for themselves about giving ST&C workshops, and decided to remove the requirement of a de-registration statement in Intergroup Bylaws.

At the August BOT meeting, an updated version of "Our Invitation to You," the Abstinence Literature Resource Guide and the Difference between Abstinence and a Plan of Eating Workshop may be approved. Look for them on oa.org.

Service, Traditions and Concepts Workshops (ST&CS): I gave 6 workshops, one for California Central Coast IG in June, two in Hawaii in July and 3 in Mexico at the 12th annual Mexican National Congress, in August.

- California Central Coast IG (CCCI): I co-led the ST&C "Sponsorship with a little help from our friends, the 12 Traditions", with Alex M, R2 Secretary, in San Luis Obispo. There were 30 participants from 4 IGs (CCCI, Kern County, Channel Islands and Santa Cruz County) and a few from Alanon. The Sponsorship Speed Dating line was a hit.
- Aloha Hawaiian IG (AHI): In Honolulu I gave a half day workshop, "A Recovery Booster Shot: Strengthen meetings, Strengthen Recovery, and Retain Newcomers" for AHI. There were 12 attendees—a good turnout (expected 3-10). Time in OA ranged from 2 months to 40 years. We had a Q&A over lunch with good questions.
- Maui Friends IG (MFI): While on Maui I gave an all day workshop 9-4 on Abstinence, Recovery from Relapse and Member Retention. There were 10 attendees with time in program from 4 months to 28 years and current abstinence 3 months to 12 years. It was a long day but the workshop was well received.
- 12th annual Mexican National Congress put on by Intergrup Mexico and Baja IG in Ensenada: There were about 90 attendees from all over Mexico and a few from California. For the first time at these annual events, there were 4 newcomers. The OA fellowship in Mexico is very enthusiastic. I was supposed to give 3 workshops but during the second one on "Relapse and Recovery" I tripped off the stage and broke my leg. The participants used my handouts and answered the questions while I was in the hospital. I got a cast and went home the next day for surgery. Cathy from Palm Springs took very good care of me, and drove us through the border to San Diego. Look for her article in the current R2 newsletter about stepping in for me for the third workshop on "Service." Carolina R from Mexico was my interpreter and invaluable for us to maneuver through all these events.

At the WSBC BOT meeting I was elected First Vice Chair and have been busy with chairing the Strategic Planning Committee, overseeing the sub committees, writing motions for the August meeting and supporting the chair.

For the OA 12&12 Ad Hoc Committee 3 openings were filled from 11 applications.

Did you know the Professional Exhibits (PE) Fund, which is a dedicated fund to help service bodies exhibit OA at professional tradeshows, is depleted of funds? Professional tradeshows are one way to reach large numbers of medical professionals who may have patients who could benefit from OA. OA needs to let the professional community know we exist. Look for tradeshows in your area and consider having a booth there. The PE Fund can't help with costs unless there is money in this special fund. Please contribute to the PE Fund on oa.org.

As usual I have answered numerous member questions. Some of the topics were: Paid employees serving on the IG Finance Oversight Committee; Ad copy for professional journals; Newcomer being welcome; Abstinence requirements for meeting service positions.

Intergroup Bylaws: Did you know that everytime intergroup bylaws are changed they need to be sent to WSO? If your intergroup bylaws have not been updated since 2009 there are several places where the bylaws may be in conflict with OA, Inc. Bylaws. Send the bylaws to me for a review. It is one of my duties to help the intergroup to be in compliance.

R2 had one new OA C.A.R.E.S. request from a prison inmate since the Spring Assembly.

The R2 Diversity Committee has refined their project to reach out to the mental health professionals to encourage them to refer their clients to OA. They plan to have a packet for each Region Representative at this Fall Assembly. Look for it.

Date Reminders:

November 1 – deadline for WSBC Delegate Support Fund from WSO (applications on oa.org)

PUBLICATIONS COORDINATOR

Attending the Region 2 convention as an R2 Board member was an eye-opening experience. It is our fund raiser and allows us to serve R2 Intergroups, Unaffiliated groups and OA as a whole.

At the pre-convention Board Meeting we were asked to be ready to jump in if a speaker was unable to make it. No one thinks this will actually happen. On the way to breakfast the Vice-Chair and I were notified that a speaker had not showed, so we turned around (we were headed across the street to breakfast) and shared the speaker assignment. It was a wonderful experience. Then I was pulled out of the speaking assignment to open the Boutique. The most moving aspect of the convention for me was the opening night and banquet speakers - grab those tapes, the recovery is moving and life changing.

Serving as chair of the convention clothing boutique was another wonderful experience. It demonstrates how each of us can give back by simply clearing our closets. Thank you to all who volunteered and donated.

Serving as my intergroup's World Service Delegate for the first time was eye opening. The amount of service given to run the business of OA World Wide is beyond heroic. I loved hearing prayers in different languages, even the call to vote changed languages. My committee assignment is Web Technology and I serve on the Web Development and Support Sub-committee. Following the conference I was able to ride with a fellow committee member back to Colorado to visit my family who I had not seen in five years...for me another miracle of the program.

In Region 2 I am working with Alex to upgrade the R2 website, worked with Sandy and Linda to get the e-mail blasts started, responded to numerous e-mails, will be teaming up with Linda to give a Service, Tradition and Concepts Workshop and produced the R2 newsletter with Mary H. from Marin Intergroup.

It is a joy to serve this Region and my prayer is that you will listen if you are called to service. There are R2 Board positions up for election as terms end, plus nominations for individuals who wish to run for the Region 2 Trustee position that will need to be filled in 2015. World Service has openings for committee assignments. Jump in, it's a wonderful place to swim.

Thank you for allowing me to serve.

Region 2 Treasurer's Report

July 31, 2014 Year-to-Date Financial Report with 2014 Adopted Budget

The Income Statement with Budget Comparison which provides figures through July 31, 2014 is attached. Comparison figures for 2013 are also reflected.

The financial report indicates increased expenses approved for website improvements (\$3,500) plus purchase of new equipment and new display board (\$2,050 total). The display board, computer and projector have been purchased. Required cables will be purchased soon. Some website improvements have been made. It is anticipated that all expenses will be finalized by the end of the year and will cost less than budget amounts. The 2015 Proposed Budget will be presented at the October assembly.

Wells Fargo Bank Balances (excluding the Convention accounts) as of July 31, 2014 were:

Checking: \$ 7,175.30
 Money Market: \$30,737.47
 Total Funds: \$37,912.77

The Money Market account includes \$10,000.00 transferred from the 2014 convention. Final convention overage will be reported at the assembly. 2014 financial information is preliminary, subject to review.

Following is a partial list of tasks performed by me since the assembly:

- Transferring funds from the money market account to the general or checking accounts, as needed.
- Participating at face-to-face and virtual board meetings.
- Attending and performing required duties as the R2 Treasurer at the 2014 Convention.

The Young People committee mailed YP packets to all 35 Region 2 Intragroups with a cover letter. The committee deserves a WELL DONE for carrying the YP message.

I want to thank the R2 Board, the R2 Administrative Assistant, the Representatives and Region 2 as a whole for their support and encouragement during my tour of duty as the R2 Treasurer.

It was a very rewarding, fun and exciting experience.

Jerry Jackson, R2 Treasurer

GOD, GRANT ME THE SERENITY TO ACCEPT THE THINGS I CANNOT CHANGE, COURAGE TO CHANGE THE THINGS I CAN AND WISDOM TO KNOW THE DIFFERENCE

The Twelve Traditions¹

1. Our common welfare should come first; personal recovery depends upon OA unity.
2. For our group purpose there is but one ultimate authority -- a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for OA membership is a desire to stop eating compulsively.
4. Each group should be autonomous except in matters affecting other groups or OA as a whole.
5. Each group has but one primary purpose -- to carry its message to the compulsive overeater who still suffers.
6. An OA group ought never endorse, finance, or lend the OA name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every OA group ought to be fully self-supporting, declining outside contributions.
8. Overeaters Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. OA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Overeaters Anonymous has no opinion on outside issues, hence the OA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion, we need always maintain personal anonymity at the level of press, radio, films, television, and other public media of communication.
12. Anonymity is the spiritual foundation of all these traditions, ever reminding us to place principles before personalities.
