R2 Board Reports

Chair's Report by Nancy J.

Although this has been the busiest year of my life, I can't begin to tell you what a privilege and joy it is to serve Region Two. This year's theme is "Region Two Carries the message, and we've surely lived up to that through the R2 board and all intergroups and committees.

Shortly after our Spring Assembly, I attended my 28th WSBC in Albuquerque, where I participated with 296 other delegates, region chairs and the BOT in the spirit of Unity to move OA forward into the 21st century. How thrilling it is for me to be a part of it. I was part of the combined Region Chairs (RCCs/Board of Trustees(BOT) subcommittee on developing a sponsorship workshop plan, structuring the 2016/17 Strategic Operating Plan.

The RCCs project for the past year has been "Building Strong Intergroups (IGs) and Service Bodies (SBB) and to that task, the RCCs presented the Forum this year by enlisting all present to provide 30-45 second "elevator pitches" that were scenarios in which one can introduce, or welcome back someone to OA, in the time of an elevator ride. Wow! That Forum was one of the most creative I've seen. The WSBC created the Spanish Translation Subcommittee, and three R2 delegates have agreed to serve on that committee throughout the year. That is one reason why R2 is so great - when asked to serve, we always say "yes".

R2 also said good bye to Meg, our beloved trustee of 7 ½ years, and welcomed a new 3-year term Region2 Trustee, Hanna, who is no stranger to R2, having served us in many capacities over a long period of time.

The above Conference actions were only the beginning. More will be revealed when the Final Conference Report comes on line in September. Be sure to look for it at oa.org. To save postage, the WSO no longer mails hard copies unless requested.

There were 399 people that attended our Region2 Convention (R2C) in Milpitas, CA, June 26-28 this year. Over 100 speakers shared, the entertainment was great, and it was one of the best R2Conventions ever. I was so proud (no forgiveness required) to represent and greet the Mayor of Milpitas who came to honor OA and declare R2 as Honorary weekend of Milpitas. My Congratulations and thanks upon thanks many times, to the R2C Committee and Marjie, our R2 Events Coordinator for all their hard work for the past year.

Once again, for probably for the last time, I had the privilege and honor of attending the Mexico Congresso in Le'On Guanajuato, sponsored by the Mexico City IGs (MCIGs). There were 104 people +Hanna & me that attended the Congresso, and many of them

had traveled 16 hours in 9 passenger vans to get there. and return home. Never again will I complain if I have to travel to an R2 meeting.

The assignments Hanna and I received were a Q/A session and a Tradition 9 Workshop. Once again, I was reminded of the pain of no translated literature in the R2 Spanish speaking IGs. Besides our translated workshop literature, I left several pamphlets (one being the Group Handbook) with our interpreters to translate into Spanish language.

Since there are no translated 12 Traditions pamphlets, the meetings are vulnerable to very old timers that insist they must perform “service acts” to work their way up to the IG service level. We were also informed that the Mexico IGs are pursuing becoming incorporated into OA, which would allow them the benefits of the IGs in the USA, one of which would be to obtain Spanish translated literature from other countries. It’s going to take a while, but they are working very hard to accomplish it.

In a standing ovation, we recognized 3 participants of virtual meetings (phone and/or skype) that have started F2F meetings in their area. YAY, Virtual! YAY, F2F! This year we’ve seen our 2 Hawaii IGs become one, thus increasing their meetings and communication electronically.

Since the Spring Assembly, I’ve held 4 “Chat with the Chair” sessions, visited 4 meetings, and signed on to work on the 2017 R2 Convention. I am now preparing to go to Boston, MA, for the World Service Convention (WSC), where the RCCs will meet on our projects, (there are many) meet with the BOT and attend BOT subcommittee meetings. I have also been asked to lead a workshop on Virtual Sponsoring, and be a stand-by for no-shows (my schedule doesn’t allow for a speaker assignment). I’m very grateful to be going to Boston, as I attended the WSC there in 1987.

God willing, I shall attend the RCC3 meeting that will be held in Baltimore, October 13 -15, hosted by Region 7, then back home to chair my last assembly in October.

Last year’s RCC3 was held in Brisbane, Australia, and I thank you for the opportunity to participate in it. I went early to visit my best friend, the (then) R10 Chair (now trustee), in Christ Church, New Zealand, where I shared ESH at 3 meetings (that’s all they had), and assisted her with preparation for the assembly, then on to Brisbane with the other Region Chairs, and to participate in their combined Fall Assembly and R10 Convention. It was there that we learned of a new meeting in Beijing, China, and possible return of meetings in South Korea, which at this time are existent.

In all instances, representing R2 has been the highlight of my life for the past 27 years. Just to know the power and feel the energy of R2 has kept me going, even through bouts with some nasty bacterial infections last Winter/Spring. You kept me going, and as a result, I kept going for you, and you taught me that this OA world is not brick & mortar, airplanes & electronics, it’s about one compulsive eater’s hand reaching forth to another and that we all speak the same language – that of the

heart! Miracles have happened in R2, and I'm grateful to be a tiny part of the miracle of SERVICE.

As I rotate out, I want you to know that I have loved all of you dearly, with all my heart and soul, and at the sound of your voice, the raise of your hand, and even the roll of your eyes, your energy has helped me stay in recovery and I pray my ESH will always be with you and the spirit of Region 2.

Events Coordinator Report by Marjorie D.

Hello Region 2 Representatives and Intergroups!

We just had an exciting, uplifting convention, “Joyful Journey, Stepping into Freedom” in Milpitas June 24-26!!! I hoped many of you were able to attend! Overall, everyone loved the speakers, topics and fellowship! Kudos and deep appreciation to the committee who worked so diligently! I know your program is stronger for it! Thanks also to all who volunteered and did service the weekend of the Convention as Greeters, Serenity Patrol, Timers, Moderators, Speakers and MORE! YOU are heartbeat of Region 2!!! The committee chose to record all sessions of the weekend. If there was a session that you just loved, heard about or had to miss, you check out <http://www.allstartapes.com/oar2-2016-convention/> You can purchase one session or the entire weekend! Great way to bolster your program! Definitely worth your time and energy!

Here are some of the things I have been working on since we last met in April:

Publication Coordinator's Report by Betty Jean V.

Excited to report that this is the first Assembly where we will go paperless.... the call to Assembly and the Assembly packet went out electronically.

It works if you will all print and bring this packet you are reading with you. Region 2 carries the message!

As a Region we are rich with opportunities for fellowship, retreats, and beautiful half day events. Providing the information is up to each of your intergroups. We hope you will continue to submit your events on line through the web form. This gives people traveling in your area and adventurous fellows the opportunity to attend your event.

Thank you Region 2 Rep's for allowing me to serve. Reflecting back on my journey of service, I can't help but wonder how I got here? It was hands down someone coming back from an Assembly full of excitement from what they had witnessed. My question is, "Do we return from service excited and motivated to get someone else to have this experience?"

When you go back to your intergroup do you inspire the next R2 rep? How might you inspire the next person to step into an open Board position?

I find it mind blowing that my connection was a direct result of someone unable to attend an Assembly due to illness. Just how out of all the people attending did the Publications Coordinator who was stepping down choose me to talk to? Got to admit I was very anonymous. Hint: Regarding your intergroup service positions many people, when asked, will serve.

No one is more grateful for the timing because I now have such dear friends. Last weekend I was at Alex's birthday party and house warming. He met his girlfriend at an Assembly... he is the past board secretary. Linda former VP lost her son and board members attended the funeral. Mo went through a health scare and we loved and supported her through it. Meg had an injury at the Mexico Congress and we marveled at her calm spirit and capacity for service.

It is inspiring and I feel grateful to be part of a board who birthed a new R2 web site. It has tools and resources for your intergroup and members that are just a click away. In addition, as a result of a vote by R2, rep's at an Assembly we were able to aid intergroups in getting their web sites up and running.

We have a board only section on the web site which allows present and future board members access to what has happened historically in our fellowship. This is particularly helpful for our events coordinator and the convention committees they liaison with. We have a quick response to info being asked for. Board members take turns answering the web requests for information.

As a fellowship you asked for a calendar of events that is Region Wide. We have been able to shorten the time to posting and many have benefited from being able to attend these inter-group sponsored events.

We have posted the frequently asked questions as well as the Ask It Basket Questions from Assemblies. Definitely being on the Region 2 Board has its challenges. As with most things there is a learning curve. I loved witnessing the Board turn-over of service and how it all just keeps going. My best to the new Board members. You are stepping into some beautiful shared memories of service.

I cannot sign off without expressing a deep appreciation, gratitude, and thanks to Joyce, our former R2 Assistant who seamlessly handled the assembly registration and preparation of our Assembly packets as well as coordinating the printing of the newsletters, while I was Publications Coordinator. Her on-going support and advice has continued through our first attempt at a paperless Assembly.

Our webmaster Mary H., has been with me through the three years of my service. This experience of team work will never be forgotten. I am in fact going through a grieving process at the thought of losing this shared camaraderie.

It has been my pleasure to serve as your Publications Coordinator. I look forward to turning the service over and will help the next person in any way I can. Three people showed an interest in this Board position and I hope you will all run as well as anyone else who is interested. As I write this we are wrapping up the registration response for the Fall 2016 Assembly and creating the newsletter. We wait hopefully for your Region Rep's registrations to come in. Thank you each for your willingness to serve.

Region 2 Trustee's Report by Hanna S.

My name is Hanna - I am a Compulsive Eater and your new Trustee. I was elected by the delegates at our annual World Service Business Conference in Albuquerque in May 2016.

My committee assignments were handed to me on the last day of the conference. I stayed busy volunteering as a page during the business sessions and I got a physical workout. It also gave me the opportunity to get to know many members who are not from our Region 2. My first "official" function was to present myself to the Board of Trustees on Tuesday evening. There were two of us, from Region 2, who had applied to become region trustee. My good friend Ali and I had previously worked together during the Region 2 Convention in 2007. He would have made an excellent trustee and I hope he will consider such service. During the final Trustees meeting I was assigned to three WS committees. The 2017 World Service Planning Committee, the OA.org Website Review Committee and the Web/Tech Committee. I was appointed as Co-Chair of the Web/Tech Committee. My prior participation in the Web Committee,

when representing our intergroup as a delegate (Unity with Diversity Desert Intergroup, located in Southern California) may have been the reason for this assignment. It is a challenge, but I am very fortunate to have several young members in my group - they are all very tech savvy. Times are changing since I came to OA in early 1978 and “us long-timers” have to try to keep up with the younger tech-savvy members. Our main Web/Tech Committee challenge is to get the site up and running. The purpose is to help intergroups to maintain or updated their web sites and answer questions pertaining to web technology.

199 OA members were present as delegates at the conference - 182 delegates and 17 trustees. Strategic Planning for the next several years - 2017 through 2019 - was announced and a lot of work will be put into the following categories:

- ❖ 2016 - Keeping OA strong - worldwide
- ❖ 2017 - Unity
- ❖ 2018 - Recovery
- ❖ 2019 - To grow membership

Most motions were on the consent agenda (pertaining to housekeeping) and were approved by the delegates.

One interesting motion was to define the difference between a “group” and a “meeting.” The delegates voted that both mean the same.

A motion, pertaining to Virtual Groups, was adopted. This requires that intergroup bylaws need to be updated. I am sure your delegates have informed you about this already. If you have not yet heard about the change, please let me know and I will send you the information. After your by-laws have been updated, please send the updated bylaws to me. My job is to review them and forward them to World Service. They will be returned to you. Even if changes to your by-laws are not based on WSBC motions, please remember that bylaws should be sent to the trustee every two years for review. I am sure all intergroup board members are aware of this, but it is important to inform newly elected intergroup board members about this.

Ask-it basket questions are submitted during the business conference to be answered by trustees and I received several questions. As always, the World Service Business Conference (WSBC) was very interesting and I would encourage all Intergroups to send delegates to the conference. This is a great way to serve and give back to the program. Service has kept me coming back for over 38 years.

Chair Nancy and I had an orientation meeting, over dinner in Albuquerque, and Nancy informed me about future R2 Board meeting dates and our trip to attend the Mexican Congress. I was assigned as liaison to the R2 Intergroup Outreach Committee. My co-chair is Natalie and the committee has been working on getting unaffiliated groups to register. If you need additional information, please let me know. My job is to serve you.

Nancy and I returned from the Mexican Congress in Leon which took place from August 12 to August 14, 2016. I was pleasantly surprised about the enthusiasm of our Mexican members. About 100 members participated in this event. Nancy and I had a question and answer session and presented a workshop on Tradition 9. I made many new friends and am already looking forward to seeing them again next year.

R2 Committee Reports

ByLaws

In the Spring the Bylaws Committee consisted of all new members. Half were heavily involved in working the convention, so the only activity taking place was familiarizing themselves with the Bylaws and Policies and Procedures Manual (P & P). They did add document copies to Google Docs for group use (including the Parliamentarian). An overarching motion is being proposed for revamping the financial information as presented in the P & P (in this packet).

Committee Goals

- Read both Bylaws and Policies & Procedures manual
- Schedule conference calls/e-mails to discuss plans/outcomes
- Set up Google Docs with copies of documents for live-editing (DONE!)
- No ongoing projects at this time

Agenda for Fall Assembly

- Pass out hard copies of “ruling” documents to existing & new committee members
- Spend time word-smithing potential motions

Intergroup Outreach

One of our goals was to contact each unaffiliated intergroup to find out how we might support them. We used 2 documents we developed in the last year (a resource list and a questionnaire).

During this time:

One committee member resigned, and the assigned calls were distributed to the remaining 4 committee members. The committee co-chair made 2 outreach calls to groups in Mexico. One group was no longer meeting. A second group in Mexico stated that they had sent donations to their Intergroup in Mexico and followed up with phone calls. The meeting is still not listed on the Intergroup roster.

The Region 2 Trustee traveled to the Mexican Congress, scheduled for August 12 and 13 and scheduled a meeting with group representatives. The trustee asked members

to get the information to their meetings so that unaffiliated groups can be registered. No additional information has been received from the Mexican groups.

2 reps did not respond to the latest co-chair's email requesting a progress report, and one rep responded that she was making it a priority to contact the people on her list. The co-chair will send out a reminder email to remaining committee members in September to continue their efforts.

Young Persons

Since the 2015 Region 2 October Fall Assembly, the Young Persons (YP) committee has been busy with efforts to communicate the wealth of recovery information and resources available for youth and others through Overeaters Anonymous.

The YP committee is excited to share the following 2016 YP committee successes and on-going efforts:

1. A young persons' panel/workshop, "***Finally Fitting In***" was presented at Region 2's June 2016 Convention, and OA's Young Persons' information packet provided as a handout.
2. A 2016 "***Fact Sheet/Resource Guide***" identifying some of the resources available to youth through OA was developed and provided at the Convention, and will be updated for future distribution.
3. A young persons' "***Speakers/Outreach List***" for Region 2 is *in-the-works* and expected to be available by year-end 2016.

We look forward to continuing to reach out to youth at the 2016 October Fall Assembly, and in the coming year. Region 2 carries the message!

12 Step Within

The Region 2 TSW Committee has been working several projects in 2016 that include:

- Review the TSW Speaker List for the R2 Website - Update and consolidate
- Distribute the TSW R2 Brochure Packet via the TSW Quarterly Email
- Create a Welcome Back R2 TSW Sponsor Sign Up Sheet for Outreach Calls
- Email a Quarterly TSW -Suggestions for Intergroup Newsletters.
- Work on a Spanish Translation of the TSW Quarterly Email.
- Investigate the use of the QR Code as a means of fast email links to TSW information.

In 2017 we look forward to developing new ideas to help carry the message of recovery to those who still suffer within our OA Community.

Public Information

At present, the PI Committee is working on a report to share with doctors who perform any type of stomach surgery to help Compulsive Overeaters to lose weight and become physically healthier, that we hope will share with them the importance that Overeaters Anonymous can play in the long term recovery of their patients.

The Twelve Concepts of OA Service

1. The ultimate responsibility and authority for OA world services reside in the collective conscience of our whole Fellowship.
2. The OA groups have delegated to World Service Business Conference the active maintenance of our world services; thus, World Service Business Conference is the voice, authority and effective conscience of OA as a whole.
3. The right of decision, based on trust, makes effective leadership possible.
4. The right of participation ensures equality of opportunity for all in the decision-making process.
5. Individuals have the right of appeal and petition in order to ensure that their opinions and personal grievances will be carefully considered.
6. The World Service Business Conference has entrusted the Board of Trustees with the primary responsibility for the administration of Overeaters Anonymous.
7. The Board of Trustees has legal rights and responsibilities accorded to them by OA Bylaws, Subpart A; the rights and responsibilities of the World Service Business Conference are accorded to it by Tradition and by OA Bylaws, Subpart B.
8. The Board of Trustees has delegated to its Executive Committee the responsibility to administer the OA World Service Office.
9. Able, trusted servants, together with sound and appropriate methods of choosing them, are indispensable for effective functioning at all service levels.
10. Service responsibility is balanced by carefully defined service authority; therefore, duplication of efforts is avoided.
11. Trustee administration of the World Service Office should always be assisted by the best standing committees, executives, staffs and consultants.
12. The spiritual foundation for OA service ensures that:
 - a) No OA committee or service body shall ever become the seat of perilous wealth or power;
 - b) Sufficient operating funds, plus an ample reserve, shall be OA's prudent financial principle;
 - c) No OA member shall ever be placed in a position of unqualified authority;
 - d) All important decisions shall be reached by discussion, vote and, whenever possible, by substantial unanimity;
 - e) No service action shall ever be personally punitive or an incitement to public controversy; and
 - f) No OA service committee or service board shall ever perform any acts of government, and each shall always remain democratic in thought and action.

Region 2 Spring Assembly
Minutes

Saturday, April 9, 2016

8:30am to 5:30pm

Prepared by R2 Secretary – Thomas Firpo

Called to Order: Meeting called to order 8:37 by Chair Nancy Jensen

- Opened with the Serenity Prayer, 2-minute meditation, announcements

Introductions:

- Board members, R2 trustee and parliamentarian introductions
- RRs attending assembly for the 1st time (Green Dots) were introduced and paired with mentors.

Readings: Concepts of service read by Meg. Assembly Rules read by TennieBee.

Roll Call: A quorum was established with 22 intergroups, 31 RRs were present, 6 voting board members, no alternates and 1 trustee.

Adoption of previous minutes: The minutes were approved as corrected with 2 editorial modifications:

1. The Parliamentarian's name was changed from "Tennie Bee" to "TennieBee"
2. A sentence was changed in the Chair's Report
From: "A major concern in that region is the lack of qualified servants."
To: "A major concern in that region is the lack of qualified trusted servants."

Ice Breaker: an ice-breaker activity was conducted.

Board Reports:

Vice-Chair: Q: Do we name people in our reports? A: Not whole names. Q: Are STC Workshops open to everyone? A: Everyone. Also explained what an STC is and how to request one?

Secretary: Requested people do their evaluation form.

Events Coordinator: Introduced Tina (convention Chair), Announced upcoming Convention. Shared 2017 Convention Chair = Zeta.

Publications Coordinator: Highlighted pamphlet. Gave report on Website and promoted newsletters. Talk to a board member about the open PC position later this year. Answered a question about electronic donations. Answered a question about getting the newsletter link.

Treasurer: Is the money that we donate to OA tax deductible? R2 and WS are Tax deductible, not to your meetings. Gave report addendum on the online donations fees and contributions. Shared Convention money will be with Tablets and Square technology. Using Xero software.

Chair: No addendum, no questions.

R2 Trustee: Promoted Concepts Pamphlet. Promoted OA.org website upgraded. She has served 7.5 years as a Region 2 Trustee. Explained she is leaving in a month and shared gratitude and asked us to welcome and support her replacement. Marjorie presented flowers.

Introduction to committees: Met for 12 Minutes

Ask-it Basket:

- Q: Since it seems like it would be helpful for committees to retain members from assembly to assembly; couldn't whoever assigns committees re-assign attendees from assembly to assembly? A: Our admin resigned suddenly and this is usually handled by her. We will try to take it into account next time.
- How long can an intergroup operate without an elected Vice-chair and Secretary? A: It depends on if you have Federal 501(c)(3) Status. Then you need to get a secretary to take minutes for meetings, but they can be paid(non-members) or substitutes. Vice Chairs are not a mandatory position for a 501(c)(3). So a vacancy would not have an impact. For a 501(C)(3) there needs to be at least 3 board members: Chair/President, Treasurer and Secretary. If your intergroup is not a 501(c)(3), then there is no impact to operating without those positions.
- Is there anyone in the region (or maybe this is a WSO question)who might be able to create an Ap for members to find sponsors? A: Web-tech committee at WSO.
- Q: The region 2 website allows you to put your name in as a speaker but apparently there is no application to review available speakers or request a speaker. Is this correct? A: There is an online form to fill out to get on the speakers. You can request a copy of the speakers list from Carolina to get a copy of the Speaker list. Is there no Ap to get a speaker's list.
- Q: How long is the commitment for representatives? A: Nominally 2 Years. It is up to IG group conscience/bylaws.
- Q: What is the Procedure to change info in Convention P&P? A: When the Convention Committee comes up with a change... they present it to the board. The board discusses and takes action on their request.
- Q: Dogs, Member want to bring "service Dogs" to meetings- even Delegates meeting! I love dogs but, do they belong at meetings? Is there a policy? A; There is no policy. They are not legally denied. But Dogs must be maintained in buildings that allow them. Consider that people in Meetings may be allergic to animals. Be respectful of each other's needs.
- Q: An OA member recently says that there is an OA web application to get a sponsor. Is this true? A: No. there is not an Ap. One may be in work at the WSO level. The best way to get a sponsor is at a face to face meeting, however if these are not an option for you, Phone and on-line meetings can be attended and used.
- Q: Can region reps have access to a copy of the R2 Board Bylaws? A: There are no R2 Board Bylaws. There are R2 Bylaws and a Policy & Procedure manual. These are available on the R2 website. There is an R2 Board Operation Manual that is only available to board members.
- Q: How is a new intergroup launched? I am relocating to an area that is under-represented at current IG meetings because of location -25 Miles away. Can we start a new IG? A: if there are 2 or more meetings, you can start an intergroup.

There is some work to do to be recognized by the WSO and the Region, which can't be expressed here, but contact the outgoing Trustee for the details.

Intergroup Concerns:

- North coast IG : Isolated, STC and chat with chair has helped her a lot. Facilitated a health fair with 6500 attendees.
- South Bay IG: Shifted from mentality of perceived deprivation to one of abundance. Up'd budgets for outreach and PI. Mail blast for outreach.
- East-Bay IG: has a workshop every 4th IG meeting.
- LA IG: Pitch Gratitude \$3500 profit from B-day party.
- San Joaquin IG. Getting speakers to come is tough. FtoF and with telecom speakers. Outreach with Tear-off to doctors and store breakrooms.
- Sacramento IG: Stopped selling literature meeting. Talked about state sales tax now needed to be paid by the meetings.
- UDDI needed workshops and developed a format for them with high attendance.
- Mid-peninsula IG. If there is an assembly close by they pay for visitors to assembly.
- Sonoma County combined with Marin to do a speaker workshop.

Convention Committee Presentation: Theme: Joyful Journey, Stepping into Freedom. A presentation was made.

Lunch Break:

Twelve-Step-Within committee requests that a budget override of \$100 be added to the Twelve-Step-Within committee so that Welcome Back packets may be provided to attendees at the 2016 Region 2 convention.

Impact:
