The OA Promise

I put my hand in yours, and together we can do what we could never do alone. No longer is there a sense of hopelessness, no longer must we each depend upon our own unsteady willpower.

We are all together now, reaching out our hands for power and strength greater than ours, and as we join hands, we find love and understanding beyond our wildest dreams

Join us and share your experience, strength and hope with other OA members while strengthening your own commitment to recovery. Whether you are new to the program or an old-timer, we invite you to a weekend full of recovery and fellowship.
